Greetings percussion students and parents,

I am writing to let you know about our Indoor Percussion Informational meeting on **Monday October 7<sup>th</sup>, 2019 at 6:00pm in the band room.** This meeting is for those students AND their legal guardians interested in participating in the competitive indoor drumline this coming spring, Attendance at the meeting is mandatory for anyone participating in indoor percussion but does NOT commit you or your child to anything.

I have included in this packet some preliminary information to help you and your student in making this decision. I will also go over all financial and time commitments required to help you and your student make an informed decision in more detail at the meeting.

After this meeting, I will ask for a 'hard' yes or no from the students to determine whether we have enough interest to restart this program. Indoor percussion is NOT a required portion of our program but, it is a tremendous opportunity to help develop our percussion program. We must have between 20-30 students AND a representative talent pool committed to this endeavor in order to make the decision to field a competitive indoor group in 2020.

**\*Please note that we MUST have commitment forms and the \$100 deposit by Monday October 21<sup>st</sup>, 2019 AND that this is above and beyond any band fees.**

I will also be looking for chaperones/volunteers for our out of town trips so if you have gone through chaperone training and have been put on the county list as an approved chaperone we will definitely need your help.

I look forward to seeing everyone **Monday October 7<sup>th</sup>** and, as always, thank you for everything you do for our students and this program.

Sincerely,

Dr. Jeff Grant  
Associate Director of Bands/Director of Percussion  
Lowndes High School  
Valdosta, GA
